Dear Opportunity Seeker,

You were referred by ID#: _____. Their full name, mailing address and mobile number is tied to this ID which gives them full credit for any license activation. If you wish to use this automated system and earn [royalty commissions](#), activate your personal license by using their Sponsor ID.

Our Service:

We are a white-label home business automation service. We developed a simple software that integrates SMS text, dynamic email, and display ads with AI. It's an automated process that requires a license key ([Sponsor ID](#)) to activate. Instead of licensing to large companies which require expensive lawyers and startup capital, we decided to create a new business model within the home business industry.

With our home business automation program, you have the ability to generate unlimited income with a one year license. Our system is free to use and many are earning \$100k+ within their first year of using our system.

To unlock your **true earnings potential**, we recommend renewing your license after one year to earn residual or recurring income.

Our Products:

The VIP chatbot automation software. It's free to use. It simply requires a Reseller/[Sponsor ID](#) to activate.

Example:

(To activate your license, mail the license fee to your reseller/sponsor. View their current license fee tier below. Then pay the appropriate admin fee to have your unique License ID issued to you via email.)

Select	License	License Fee	Admin Fee	Total to Start	Your Royalty Commission

L-2	License (Tier 2)	\$500	\$250	\$750	100% = \$500
L-3	License (Tier 3)	\$1,000	\$350	\$1,350	100% = \$1,000
L-4	License (Tier 4) (locked)	\$2,500 (locked)	\$450 (locked)	\$2,950 (locked)	100% = \$2,500 (locked)
L-5	License (Tier 5) (locked)	\$5,000 (locked)	\$550 (locked)	\$5,550 (locked)	100% = \$5,000 (locked)
L-6	License (Tier 6) (locked)	\$7,000 (locked)	\$650 (locked)	\$7,650 (locked)	100% = \$7,000 (locked)

Mail License Fee to: Your Referring Sponsor (view below)					The Licensee
Pay Admin Fee to Company: WorkFromHome.VIP, LLC					The System Administrator
You can only receive royalty commissions up to the license tier you join. You can always upgrade.					

How It Works:

- Example: You join our licensed program at the (Tier 3) level. We assign you a Sponsor ID so you can use our free software & earn 100% royalty commissions.
- You order a set of postcards and enter your new Sponsor ID on the mailer.
- You mail the postcards or flyers (part-time).

- A few days later, a potential prospect receives the postcard/flyer with your Sponsor ID
- Prospect A listens to the 24hr Message
- After the call, they get excited and are ready to join

Next: System Activated

- Prospect A follows the directions outlined on the call to get started
- **Note:** You don't have to explain, sell or train anyone. The (AI) system does all the explaining & educating for you.

- The system will instruct Prospect A to enter their name, email address and mobile number on your reseller site: vipcashflowsystem.com
- With their permission, we'll be able to follow up with them on your behalf

- The system will then direct them to watch a webinar before making a final decision
- Note: This webinar is important so they understand the POWER of home business automation

Our free system follows up with every prospect up to 180 days, with:		
SMS Text	Dynamic Emails	Dynamic Banners
No monthly fees to use our automated system		

Our follow up system is designed to interact with visitors on your behalf.

Next: The Application Process

- Prospect A decides to join after 2 weeks of creative follow ups from our VIP system
- They decided to join at the (Tier 2) level = \$500 goes to you. [View commission structure](#)
- **The maximum commission you can earn is tied to your tier level**

- Prospect A mails you \$500 + signed application + \$250 admin fee = \$750 total
- Once we receive the signed application and process the admin fee, we will assign Prospect A, a new Sponsor ID and they'll be added to your cash flow network.
- Any commission they generate above their current (tier level) will be sent to you

Congratulations, Your First Sale!!

Benefits

- Grow a large network of Sponsors/Licensees
- (Optional)** Renew your license annually (application + admin fee) for recurring commissions. When your network renews their admin & license fees, you earn residuals on your entire network every year. For example, after you've been with the program for one year and you have a network of 200 sponsors/licensees, the minimum total network value could be \$120-\$150k/yr. Renewing your license allows you to start the following year with over \$120k+ in royalty commissions from efforts you started the previous year! We hope you can see the power in this system. Without a renewed license, we will deactivate your Sponsor ID.
- Unlimited use of our VIP system
- Unlimited royalty commissions
